Gifts in Memory or Honor

A memorial or honorarium is a thoughtful way of paying tribute to a relative, friend or associate while benefiting the Bayfield region. If you would like to remember a special person or occasion, what better way to honor those who appreciate this special place than by helping to protect the natural diversity that makes the area so unique.

A donation to the Bayfield Regional Conservancy will help protect natural areas, old growth forest, wild lakes and other landscapes in northwestern Wisconsin.

We are pleased to accept donations in honor of birthdays, graduations, marriages, anniversaries and holidays as well as donations in memory of loved ones. The honoree or their family will be notified of your gift and we will also send you an acknowledgment of the donation for your tax records.

You may make a contribution on-line or send a memorial or honorarium to our office.
